CLEAR BODIES FOR 190MM TC

#1505-20 LTC-R

#1555-20 MS7

#1560-20 Type-S

#1564-20 D9

With high-grip surfaces such as CRC Black Carpet now the norm, the weight of 190mm touring car bodies is more crucial than ever. X-Lite bodies will help lower the CG of your car even further than PRO-Lite, resulting in better, more responsive handling, less traction roll, and faster lap times.

MSRP: **\$34.95**
